1. Approximately 20 persons in the Administrative Section of USIG received dismissal notices on 14 November, effective 30 November 1953. These dismissals were in line with recent planned cut-backs in personnel, preparatory to the return of the SAG plants to the German economy at the end of 1953 and the probable dissolution of USIG.
2. Among the employees known to have been dismissed on 30 November 1953 were the following:
 - a. Max Karov - German House Kommandant
 - b. Raimund Schaub - Chief of the EGL
 - c. Karl Englert - Head of the USIG SED Group. 1/
 - d. Guenther Lewandowski - Electrician.
3. Herbert Peikowski, USIG construction engineer, has not been dismissed to date and is reported to be under consideration for transfer to a special job located inside the restricted area of the Karlsborst Compound. The exact nature or location of this assignment is not known.
